

Macbeth Theme Park

For this project, you are to create a concept for a theme park patterned after Shakespeare's famed tragedy *Macbeth*. Draw upon what you know of the play to generate ideas and offer excellent text-based descriptions.

Oh... and don't forget to enjoy the ride!!

Requirements:

Park Name/Concept (10 points)

- Come up with a creative & relevant name for the entire theme park, as well as a tag-line slogan, and design the park's sign. (For example, for a story like *Of Mice & Men*, we might call it "LennyLand," and our slogan might be "We'll Squeeze the Life Out of You!" with a picture of a hand grasping a mouse.)

Attractions (60 points)

- Create three (3) rides/attractions. In describing each, you must explain HOW at least two (2) of its elements relate to the play, and you must provide (2) "Loud Lines"/Powerful Passages that guests will somehow hear during the experience.
- You should provide the above descriptions in paragraph form.
- You must ALSO provide a visual depiction of each ride/attraction. You may draw this, pull art elements from clip art, or you may "recruit" someone else to draw them for you while you serve as the Art Director, explaining the concepts & elements.
