

### **Most Interesting (i.e. Complex) Character Ever!**

Who's the most interesting character in all the stories you've read or films you've seen (not TV sit-coms)? Why is this character interesting? How is the character complicated/complex, maybe good + bad, strong + weak, likeable + unlikeable, hard to figure out, etc. What, specifically, does this character do and say? Give specific details/concrete reasons.

Use the "*Journal Journey*" handout to HELP guide you, but this is NOT a journal entry. It's a full-page (or two) homework, and it will be turned in for 30 points. DUE: Day 6
