

PARKING LOT POETRY

I HAVE PROMISES TO KEEP
AND MILES TO GO
BEFORE I SLEEP

RAGE, RAGE AGAINST
THE DYING OF THE LIGHT

Let's bring some poetry to the people!

First, you'll need to bring your poetry to me. Here's what you'll need to do in a 1-page write up worth 40 points:

- Select a POWERFUL piece of poetry (a Short & Sweet "snippet" verse, as we've talked about)
- Place your verse at the top of the page
- Attach the entire poem (or song lyrics) to the back of your write up
- Include a 1-paragraph interpretation of the entire poem (Ya know, theme and some support)
- Include another paragraph explaining your reasoning for choosing this poem (why it spoke to you & why you think it'll speak to others) **AND** why you think the short verse itself can stand on its own to speak to others quickly (i.e. How it'll have an impact in a quick glance as someone sees it in the parking lot).
- Mostly, have fun with it. Envision it on the lot, making people think or laugh or cry or stop in their tracks each and every morning!!
