

Declaring Your Independence

Now that you've read what Thomas Jefferson wrote, it's time to draft your own Declaration of Independence.

- 1). Create groups of about 5 people
- 2). Draft a document that is modeled after Jefferson's work, including...
 - "When in the course..."
 - "We hold these truths to be self-evident..."
 - what the evil ruler/king (e.g. school, parents, politicians) has done
 - what you have patiently done
 - "We, therefore,")
- 3). Make it look like a true declaration-style document & sign it!
- 4). Post it on the wall outside the classroom
