icicle
sock
shoe
table
rug
pebble
street light
steak
potato
bottle
brick

hate/sidewalk: The sidewalk thrust itself upward, grabbing my toe and tripping me till I tumbled backward, screaming, and scraped the skin from my shin (Sight touch hear)

love/sock: The sock caressed my corn-filled foot with the concentrated compassion and comfort of a grandmother. I disregarded its seven day old sweaty stench, for it was my new best friend. (touch smell)
