Book Talk Script

Don't know what a book talk is?

Read: [What is a Book Talk?](#)

This poster not only serves as talking points for you, but it also can double as a hanging advertisement for our classrooms.

For this book talk area, make sure you are selling the book (even if you didn't love it)! It's not about you, it's about potential students who might want to read it.

THIS IS NOT A SUMMARY! This is a COMMERCIAL for the book!

Similar Books (include titles and authors) - min of 3

This helps readers recognize other books they may enjoy if they like this one OR if they have already read one of the similar books, it works as a selling point for this one!
